

**P A COMMUNICATIONS, LLC
CUSTOMER PROPRIETARY NETWORK INFORMATION
COMPLIANCE POLICY**

- P A COMMUNICATIONS, LLC (PA) is a wireless telecommunications carrier that offers non-interconnected, two-way radio, push-to-talk service only to its customers.
- P A does not maintain any customer proprietary network information ("CPNI") through its telecommunications system.
- P A does not have access to its customers CPNI through its billing procedures.
- Were P A to change its mode of operation in the future such that said operations would be mandated by the rules in Section 64.2009(e), PA would ensure compliance with 47 C. F. R. 64.2009.
